ADEPS BRUSSELS

BKKC - BELGIUM KENDO KYU CHAMPIONSHIPS

BRUSSELS ADEPS - NOVEMBER, SUNDAY 11TH, 2018

Welcome everybody to the Belgium Kendo Kyu Championships 2018.

It is with great pleasure and honor that we receive today the participation of more than a hundred kenshi, coming from all over our country.

In this particular day, exactly one century after the end of WW I, we will show that kendo is an opportunity to develop the body and the character of everyone, independently of our language, our gender, our personal beliefs. Our goal will always be the same : become a better human being through a strong and sincere practice of our budo.

Kendo is also a lifetime involvement: as you can see, our youngest competitor is 5 years old, and our most experienced is... less younger. Nevertheless, I am sure that everyone is going to try its best during the whole competition, with the greatest energy and enthusiasm.

I wish to all participants the best luck, the best results, and also the best personal experience during this championship.

Ganbatte !

Thierry Antoine

President of the Belgian Kendo Renmei

Team matches.

Team matches will be organised at the end of the day if the time left by the individual competitions allows the organisation. The final decision about this organisation will be taken by both VKIJF & BKR TC **on the day of the event but drawing will be published at the same moment as for the individual competitions.**

Teams are composed by 5 or 3 players depending of timing.

- In case a team is only composed of 4 players, the 4th position remains open.
- In case a team is composed of 3 players; the 2nd and 4th positions remains open.

Every dojo may send **maximum two (2) teams** composed by either men or women, all at least **18 years** old at the day of the competition and holding minimum **3rd kyu (max 1st kyu)**.

All shiai will be held in 3 minutes during the entire tournament except for the semi-finals & finals where the maximum time will be 5 minutes. The system used is the “knock-out” system.

Decision is made by counting the number of victories and if these are equal, only the number of scored points. (men-kote-do-tsuki: all 1 point) is counted

If at the end of the total number of fights and points the final result is a draw, a supplementary match (ippon shobu) will be held to determine the winner. This match will be held in the same conditions than the other matches. If at the end of the entire time, no decision is made, encho without time limit will be declared.
