WELCOME

Chers Amis,

Bienvenus à ce Championnat de Belgique 2022 à Louvain-la-Neuve.

Merci aux organisateurs pour leur disponibilité. En 2020, ce tournoi avait été annulé suite au début de pandémie Covid19 en Belgique ; décision difficile à prendre, et le début de la période Covid pour le iaido belge.

Depuis, notre façon d'entrevoir la pratique a changé. L'ensemble des dojo ont dû se réinventer pour continuer la pratique, des séances « zoom » à n'en plus finir, séances en plein air et bien d'autres...

Les événements que nous croyions immuables, comme nos stages d'été et d'hiver sous la direction de professeurs japonais, ont été stoppés net. D'ici peu, ces stages reprendront mais prendront sans doute une forme quelque peu différente.

Le iaido européen reprend aussi ses activités. Une délégation belge participera en septembre 2022 aux championnats d'Europe ; mais suite aux récents événements en Ukraine, des décisions difficiles seront à prendre. Le conflit en Ukraine va nous amener à prendre position par rapport à la fédération russe. Difficile quand on a des amis dans chaque camp, et qu'aucun des deux n'a souhaité cette guerre...

Je vous souhaite le meilleur pour la suite de votre parcours de kenshi, que ce soit en cette journée de tournoi comme combattant, kakari in, arbitre, officiel ou encore supporter.

Respectueusement,
S. Hendrickx, Président ABKF

Beste vrienden,

Welkom op dit Belgisch Kampioenschap 2022 in Louvain-la-Neuve.

Hartelijk dank aan de inrichters voor hun beschikbaarheid. In 2020, werd dit toernooi geannuleerd door het begin van de Covid 19 pandemie in België; een moeilijke beslissing en het begin van de Covid periode voor het Belgische iaido

Sindsdien is onze trainingsmanier grondig veranderd. Al de dojo hebben zich moeten aanpassen om de beoefening te kunnen garanderen, tal van "zoom" sessies, trainingen in buitenlucht en vele anderen...

Evenementen die we als onwrikbaar achtten zoals onze zomer en winter stages onder de leiding van Japanse leraars moesten worden stopgezet. In de komende maanden zullen deze stages hervatten, weliswaar onder een iets verschillende vorm.

Het Europees iaido herneemt eveneens zijn activiteiten. Een Belgische delegatie zal in september 2022 deelnemen aan de Europese Kampioenschappen maar wegens de evenementen in Oekraïne zullen er ook moeilijke beslissingen te nemen zijn. Het conflict in Oekraïne brengt een positionering ten opzichte van de Russische federatie mee. Moeilijke beslissing wanneer men vrienden heeft in beide kampen waarin geen van beiden voor oorlog heeft gekozen...

Ik wens U het allerbeste voor uw kenshi loopbaan op een toernooi als vandaag als deelnemer, kakariin, scheidsrechter, official of als supporter.

Respectvol,
S. Hendrickx, ABKF Voorzitter

BIC Rules

The regulations of the matches will follow “The Rules and Regulations of Iaido Shiai & Shimpan” published by IKF (revised October 1, 1996) as close as possible.

CONTENT OF THE CHAMPIONSHIPS

Participants will be divided into the following categories

- Mudan (kyu)
- Shodan (1st dan)
- Nidan (2nd dan)
- Sandan (3rd dan)
- Yondan (4th dan)
- Godan (5th dan) (under reserve starting from 01/01/2009)

Every championship gives the right to the attribution of official “Belgian Champion” titles, together with “Vice-champion” and 2 ex-aequo third places.

RULES CONCERNING THE COMPETITION

1. POOLS

- All participants having entered the official inscription in due time will be divided by drawing into as many pools of 3 as possible.
- Also during this drawing fighters from the same dojo will be kept out of the same pool as much as possible.
- The maximal combat time is **4 minutes for three kata**.
- The fighters in the pools of 3 will fight in the following order : 1><2, 1><3 & 2><3. If ever the number of inscriptions makes pools of 4 necessary, the participants will fight the following 3 matches : 1><2, 3><4, 1><4, 3><2, 3><1 & 4><2.
- The first 2 classified of each pool will move on to the Tournament matches. Classification will be based on the following :
 1. Number of matches won
 2. If this is equal, the number of flags will be counted.
 3. If this is equal as well, a “knock out” match of only one Shitei Waza will be fought. The Court Judge will announce the Shitei Waza before the start of the match.

2. TOURNAMENT

After the pool system, the first 2 out of every pool will be put on the tournament grid, respecting the principle of separation as much as possible.

The tournament is using the knockout system. As 2 fighters come out of every pool, the 1st placed will in principle compete with the 2nd placed of another pool.

The maximum combat time is **6 minutes for five kata**.
